Yearly Calendar

- School year lessons are typically scheduled on a weekly schedule
- Some families opt for 2 lessons a week to increase support for their child
- Summer lessons available and each lesson booked individually
- No lessons on statutory holidays or long weekends including Labour Day, Halloween night, Christmas break, Family Day weekend, Springbreak, Easter, Victoria Day weekend.
- Fridays are considered part of the weekend schedule (no lessons on Fridays leading into a holiday/long weekend)
- You'll receive the yearly calendar in August outlining holidays and breaks for the year
- Susan does her best to accommodate the different calendars between private and public school
- Lessons are booked in advance with the understanding that those preset dates comprise registration
- **School year terms as follows: September – December** (typically 12-14 weeks of lessons)
January – June (typically 20-24 weeks of lessons)

Cancellations

- **Registration for the term means you agree to pay for all scheduled weekly lessons outlined on the yearly calendar** even if you've decided to travel away from home or cancel a lesson in advance or at the last minute
- **Please note Susan does not reserve space in her schedule for make-up lesson times** (I will absolutely initiate and offer a make up lesson if at all possible...families are incredibly busy now and it's not usually me who doesn't have time for a make up lesson)
- **Please be mindful of booking** medical/dental appointments, birthday parties and other outside **activities that conflict with lesson times**
